

Gauher's "Bite Size" Videos Rolodex

What I have included in this rolodex is a number of web sites and resources that I feel will help you better understand the quick traffic videos I made for you.

I honestly believe that if you master the art of "traffic" generation, you control your online destiny. You can literally write your own paycheck if you can control targeted traffic.

If you want to learn about free traffic, Jeff Johnson is the authority in my opinion for traffic. I have removed myself from almost EVERY gurus list EXCEPT Jeff Johnson. The stuff he gives away for free is gold in my opinion.
